

City of Boston, Assessing Department

PROPERTY PARCEL DATA FY 2010 LITE Version CD ROM

In order to meet the demands for public records the Assessing Department has developed a standardized inventory of data "products". Property parcel information is available on CD ROM. These CD ROMS contain property information that the Department collects and maintains. They are updated once a year in February.

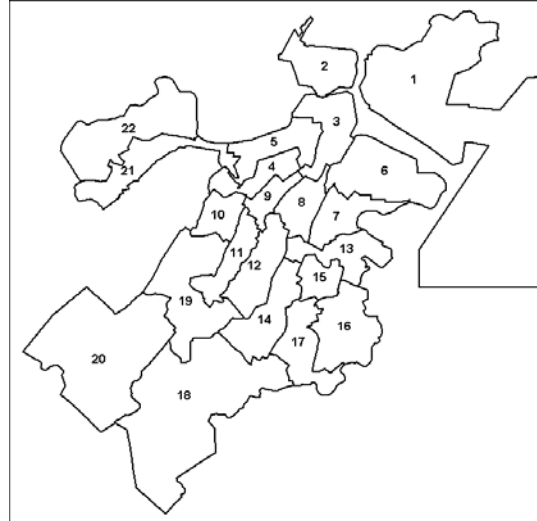

Format

The parcel data is provided in an ASCII, comma-delimited format.

FY 2010 LITE version CD ROM

File Allocation: Data Fields, Types and Sizes

The Information covers all 22 wards of the City of Boston.
